30 September 2015

Dear Sir/Madam,

**Subject: SATRC Workshop on Policy, Regulation and Service
21 to 23 December 2015, Pokhara, Nepal**

I have the pleasure of inviting you to the SATRC Workshop on Policy, Regulation and Services which will be held in Pokhara, Nepal from 21 to 23 December 2015. The workshop is organized by the APT and hosted by the Ministry of Information and Communication (MoIC) and Nepal Telecommunication Authority (NTA). The workshop is supported by the Ministry of Internal Affairs and Communication (MIC), Japan through extra budgetary contribution towards SATRC activities.

The SATRC Workshop on Policy, Regulation and Services is a part of the implementation of SATRC Action Plan Phase V which was adopted at the 15th SATRC meeting held in 2014 in Paro, Bhutan. The workshop will discuss a number of issues in the areas of telecommunication policy, regulation and services including such issues as measures to protect consumer's interests; policy, regulatory and technical aspects of OTT services; emerging licensing framework; international connectivity for the provision of providing broadband services; and other related topics. The workshop will assist the SATRC members in their human resource development and provide an excellent opportunity to exchange views and experiences among the SATRC members' regulators and operators on the issues as mentioned.

Your administration/organization is requested to nominate suitable representatives to attend the workshop. The workshop is planned for middle and high level technical managers who are involved in the subject matters. The APT requests you to register the key persons who are involved in these areas of work and can further contribute to accelerating the work of SATRC Action Plan Phase-V.

Contributions from Members, Associate Members, Affiliate Members and International/Regional Organizations on agenda items are essential for the success of the workshop. Contributions should be prepared on the proper templates provided by the APT Secretariat and submitted in electronic form preferably by email to aptsatrc@apt.int for proper documentation. **The last date to submit your contributions is 14 December 2015.**

Registration for the delegates can only be done online at APT website, www.apt.int. Provisional Agenda, Participant's Information, document templates and other logistic details are available online.

I thank you in advance for your cooperation and look forward to your early response.

Yours sincerely,

Areewan Haorangsi
Secretary General

Encls: Provisional Agenda, Participant's Information

To: APT Members (non SATRC), Associate Members, Affiliate Members, and Other Organizations
