Ref: APT/EBC-K Scholarship/2024/1   12 June 2024

Dear Sir/Madam,

Subject: APT-Republic of Korea Scholarship Programme 2024

I am pleased to inform you that the Asia-Pacific Telecommunity (APT) in collaboration with the Ministry of Science and ICT (MSIT), Republic of Korea and the universities of Republic of Korea will start the APT-Republic of Korea Scholarship Programme 2024. This initiative offers scholarship opportunities for Master's or Ph.D. degrees at the graduate schools of two universities in the Republic of Korea. Details of the Scholarship Programme are as follows:

< APT-Republic of Korea Scholarship Programme 2024 >

University (in alphabetical order)	Total no. of scholarship*	Area of study (No. of scholarship)	Deadline for application submission to the APT
Gyeongsang National University	3	1. Digital Agriculture and Smart Farm (3)	23 August 2024
Seoul National University of Science and Technology, Republic of Korea	6	1. Wireless Communications and Machine Vision and Intelligence (4) 2. ICT Policy (2)	

* The total number of scholarships is subject to change. If applicants do not meet the qualifications or the university's expectations, the number of selected candidates may be fewer than 9.

In this regard, I would like to invite your administration to nominate qualified applicant(s), if any, for this Scholarship Programme. Please refer to the **"Guidelines for APT-Republic of Korea Scholarship Programme 2024" (Attachment-1)** for detailed information before submitting your application.

The applicants will be selected based on the following criteria and the documents submitted in time to the APT Secretariat. Please be kindly informed that this programme opens not only to employees of your administration, but also to prospective college graduates or those with a bachelor's degree or higher who reside in your country and meet the conditions below. The APT Secretariat reserves the right to decline any application that does not meet the requirements. Each university may have additional requirements, such as English language proficiency, academic qualifications, and specialization in the field.

/…

<u>Qualifications of an applicant:</u>
1) The applicant must hold a degree or equivalent in the ICT area, such as Electronic engineering, Information and communication engineering, Computer engineering, Physics, Semiconductor-related materials engineering, or ICT policy
2) The applicant must be a citizen or permanent resident of an APT Member country.
3) The applicant must have adequate proficiency in the English language.

<u>Required Documents:</u>
A. Completed "**Application Form for Scholarship**" (Attachment-2 and 3 for each university), including a current photo and the signatures of both the applicant and the APT official contact person. (<u>Note: The APT shall not accept application forms that lack the signature of the APT official contact person.</u>)
B. Scanned copies of academic transcripts showing GPA and details of subjects taken.
C. Certificate of English proficiency, if available.

       All correspondence related to the application must be sent exclusively via email to <u>ebc-k@apt.int</u> before the nomination deadline. Please note that if you have not received an acknowledgement of receipt from the APT Secretariat within one week of your nomination, you should contact the APT Secretariat by phone at +662 573 7406 or fax at +662 573 7479, or by email at <u>ebc-k@apt.int</u>.

       I thank you for your cooperation and look forward to receiving your nomination soon.

       Yours sincerely,

       (Original signed)

       Masanori Kondo
       Secretary General
