

## The 12th Meeting of the Working Group of Management Committee on APT Legal Instruments (WGMC-12) was held virtually on 8 October 2024

The 12th Meeting of the Working Group of Management Committee on APT Legal Instruments (WGMC-12) held on 8 October 2024 as a virtual/online meeting was attended by 39 participants from APT Members and an Affiliate Member.

WGMC-12 considered the issue of guidelines for hybrid meeting including background of APT hybrid meeting, mode of APT meetings, benefits/challenges of hybrid/virtual meeting arrangements, legal implications for remote participation, practice of ITU and other UN organizations as well as experience from hosting APT hybrid meetings. The APT Secretariat was requested to provide more information covering the assessment of APT meetings for the potential mode for future conduct as well as the financial impact to the forthcoming 48th Session of the Management Committee of the APT (MC-48) for further consideration.

WGMC-12 also developed a document as a guideline for implementation of APT Focal Points for ITU Conferences and/or Assemblies (PP/WTDC/WTSA) based on previous discussion at WGMC-11. The document will be submitted to MC-48 for further consideration.

The WGMC-13 meeting will be held in Q3 in 2025 subject to the approval of the MC-48.
