Dear Sir/Madam,

Subject: Survey of Your Priority among APT Work Programmes in 2025

The Asia-Pacific Telecommunity (APT) has been providing opportunities to eligible Members to apply for fellowships to participate in the APT Work Programmes. The fellowship scheme has successfully encouraged the participation of the Members and Associate Members from developing countries and in engaging those who have participated in contributing to the activities of APT work programmes.

The 48th Session of the Management Committee of the APT (MC-48) held in Kuala Lumpur, Malaysia, on 19-22 November 2024, agreed to allocate a budget for the fellowship scheme and instructed the APT Secretariat to implement it efficiently and effectively. Accordingly, the APT Secretariat would like to conduct a survey inquiring eligible Administrations about their priority for applying fellowship among APT Work Programmes scheduled in 2025 in order to maximize the effectiveness of the budget allocation.

In this connection, I would like to invite your Administration to indicate your priority from the 1st to the 5th among the APT Work Programmes (meeting/event) in 2025 in applying for the fellowship in the attached survey form. Please return the completed form to the APT Secretariat by email aptmail@apt.int or fax +662 5737479 **not later than 20 January 2025**.

Please note that identifying your priority would be one of the main references in considering the fellowship request from your Administration for all identified Work Programmes.

I thank you for your cooperation and look forward to your prompt response.

Yours sincerely,

(Original signed)

Masanori Kondo
Secretary General
